

Good afternoon SJS Community,

We had a wonderful three days celebrating the end of Advent and the nearness of Christmas. Students dressed down with some awesome sweaters and green and red the past two days. We celebrated grade 3 who won our Christmas Trees decorating contest (you can still view all the trees on Facebook). The SJS Drama Club finished up their amazing production of Elf. It was quite the week!

Thank you also to the parents who were here early Tuesday morning to celebrate and bring some joy to our faculty. It was unexpected, heartwarming, and so SJS.

Our Cash Calendar Drive is coming to an end. We are still accepting and counting the final few submissions. I will provide a full update soon, but I can announce that we have raised over \$30,000 so far. That is a staggering number that shows your generosity!

I want to end with a simple message this Christmas. Thank you for the love that you and your children share with us each and every day. It makes SJS a special place to come to – not just a workplace, but a second home and family. Merry Christmas!
