

Good afternoon St. John School,

This week we celebrated our 8th graders for a final time. We had a wonderful class night and an amazing graduation. This was truly a special group of Grade 8 students – they were resilient, kind, and expressed deep love for each other and St. John School. They are an example for all of us. Congratulations in particular to Joey Nguyen Lydon for earning the distinction of Valedictorian. We were also excited to welcome the Superintendent of Catholic Schools, Tom Carroll, to graduation. Mr. Carroll wanted to show his public support for our 8th grade class and St. John School in general.

All parents and friends are invited to our end of the year Mass on Thursday at 9:00 am. It will be the first time in well over two years that our entire school (preschool included) will be at Mass. Please note, students will NOT be dismissed from Mass to parents.

Next week will be a bit chaotic around SJS as we will be moving classrooms around. We must be out of the Oscar Romero Church basement by Friday so we will be moving throughout the week. This will cause some changes.

- Ms. Sullivan's class will be moving in with Mrs. Hart's class on Monday
- Mrs. Botti's class will be moving into the library on Monday

We will also welcome back all students into the Main building on Tuesday. Yes, this means that PK and Grade 3 will be dropped off at the Main Entrance starting on Tuesday. They will spend the last 3 days of school in the Main Building with our school community. Teachers will be in touch with changes in pick up procedures for these classes. Please be patient with drop off on the final few days. We will open both front doors (Main and Gym Entrance starting Tuesday).

Also, be on the lookout for an email next week regarding uniforms and ordering.

The Great Book Giveaway

On Monday and Tuesday, we will be giving away lots of books to students. These are from a clean out of the library. Many of these books are previous donations that were never logged into the system and are in good shape. Some of these books are just out of date (think biography of Bonnie Blair). We will have tables with books in the gym. Feel free to stop by at pick up to check them out.
