

SAINT JOHN THE EVANGELIST SCHOOL

CANTON, MA

November 1, 2021

Dear St. John School preschool and prekindergarten parents,

Thank you to each of you for the support you give your child every day. Our students come to school prepared and excited to learn. This has been particularly important this year with the continued COVID adjustments we have had to make to ensure that everyone in our school is safe. We understand the significance of your decision to send your child to St. John School. Thank you for putting your trust in St. John School. We take this responsibility seriously and with great love.

It is now time to start the re-registration process for our preschool and prekindergarten students for the 2022-2023 school year. We are starting the process in November this year to understand how many open seats we will have for next year. This is particularly important as our plan is to move all classes out of the Church basement and back into St. John School next year. Our goal is to have one prekindergarten and one kindergarten classroom for the 2022-2023 school year, each with an enrollment of around 24 students. We physically do not have space to cohort either of these grades.

At this time, we are asking parents to let us know if their preschool and/or prekindergarten child(ren) will be returning to St. John School in September 2022. Please fill out and return the form below by Friday, November 19. On December 1, we will then charge your FACTS account a \$300 deposit, which will be deducted from next year's tuition. Please send in the registration form even if your child is not returning as it helps us in planning. If you do not turn in this form by November 19, your seat will not be guaranteed for next school year. Re-registration for the rest of the school will occur in December.

As we move forward in the budgeting process, we will set tuition in January. However, we do not anticipate an increase. Thank you again for choosing St. John School – we consider it a great blessing. Please contact me if you have any questions or would like to discuss.
