

Good afternoon St. John School,

I hope that everyone is having a wonderful snow day. We have done some sledding, Legos, reading here.

Thank you for your patience and support during this week as we returned to school. It was quite the adventure as we had many students out of school, many students in test-to-stay, and over 30 students on remote. What I was amazed by was when I walked around school and checked into classrooms, teachers were still teaching like normal and students were still learning and growing (even those online). Even COVID cannot stop SJS! However, it does put a ton of pressure on the school. I implore you to continue to follow health and safety protocols and report anything out of the ordinary to Mrs. Medeiros. When families do not follow protocols or stretch them a bit, it affects our entire community. This is one of the reasons we have tried to be black and white while also taking each case individually.

If you are interested in a Covid-19 vaccine clinic (first dose for children ages 5 – 11), please contact Mrs. Medeiros - tara.medeirps@sjscanton.org. This would occur on Tuesday, January 11 from 5-6.

I will send out the daily COVID email after 3:00 pm.
