

Good afternoon SJS Community,

I feel like after today SJS will be on actual summer break. SJS Summer Camps are complete, and we have turned over FACTS to the 2023-2024 school year, and the base of the new field is close to complete. First, welcome to new parents. This is the first email with the 260 students for the 2023-2024 school year. Second, thank you to everyone involved with Summer Camps this year – they were awesome. I especially loved seeing all our new students getting to know SJS.

Thank you also to Joe Butler and his crew at JMC Contracting for their continued work on our new field. Keep track of updates on our Facebook page.

At this point, you probably will not hear from me for a few weeks. July is quiet, but I will email as needed. In August communication will ramp up again, getting us ready for the fall. I am available via email, so feel free to reach out if you need anything.

One thing to think about in July is school uniforms. Please [click here](#) for the 2023-2024 SJS dress code policy. Lands' End will also have a sale July 7 - 14 - [click here](#) for details.

A few reminders

- We have two open seats in Prekindergarten, one open seat in Kindergarten, and a few open seats in Grade 4.
- We are looking for a Spanish teacher for next school year
- We are looking for a long-term sub for Mrs. McMillan from August 28 – November 10.
