

St. John Elementary

Following Jesus and Striving for Excellence Since 1883!

St. John School is dedicated to Catholic faith formation and values as well as the pursuit of academic excellence. We emphasize individual growth as well as a community spirit.

- ❖ Our curriculum goes above and beyond state standards
- ❖ Our students perform well above their peers on national assessments.
- ❖ Our students are instilled with a love of service – they care and are willing to serve others.
- ❖ Our students participate in excellent music, art, PE, technology, and foreign language programs.
- ❖ Our students have access to IPADS and technology is used throughout our curriculum.
- ❖ Our students have participate in a wide variety of before and after school enrichment programs.

The St. John school community is truly an extension of our family. We feel so blessed to know that, in addition to a rigorous academic curriculum, our children are being taught the power of prayer, the importance of service and the values of respect and kindness.
