

Good afternoon SJS Community,

Well, the 2022-2023 school year is a wrap! Thank you for the support that you give your child(ren) and our teachers each day. The home-school partnership at SJS is powerful and supports the great growth of our students. It has been an amazing school year and we celebrated it big time this week. Step Up Day and Flag Day were huge successes. Dance Party 2.0 and Slush Party were awesome. Field Day was amazing. Our end of the year Mass today with our honoring of Mrs., Miller was the capstone to a phenomenal year. Thank you to everyone involved in all these events.

MAP scores went home earlier this week and Report Cards were sent through FACTS. Report Cards are also available online.

I hope that everyone has a wonderful summer. I have heard lots of fantastic plans (I am very jealous).

You will hear from me in the next week or two as we turn over FACGS and welcome our new families. The SJS Main Office will be open the next two weeks as Summer Camp is going on. After that we will not have a set schedule until mid-August. The best way to reach Mrs. Sullivan or myself is through email, which we will check regularly.

Summer Camps start next week. We are excited to see many students, including students new to SJS at Arts and Craft Camp and Drama Camp. The gym door will open at 8:55 am for camps.

For those of you moving on from St. John School next year, good luck and God bless.

So . . . school's out for the summer!
