

Good afternoon St. John School,

Congratulations, we have made it to the end of another amazing, unique school year. There were lots of smiles and laughter (and tears) this week as the year ended. This week we finished off with an Ice Cream Truck, Step Up Day, Field Day, and Mass. We also finished the year with a faculty dinner at Rosetta's where over 30 faculty joined together in community. It was a great week to celebrate SJS and our students.

Thank you to our middle school students who did an awesome job helping us move out of the Church basement. Every piece of furniture, teaching material, and person 😊 is back in the building.

This summer we will have summer camps at SJS the weeks of June 20 and 27, so the building will be open part of those days if you need anything. The building will be closed all of July as we clean, and we will have an August schedule later in the summer. The best way to reach me or Mrs. Sullivan if you need anything is through email. I will check on a regular basis. You will hear from me throughout the summer. We will roll over our classes in a few weeks so we will welcome some new students and say goodbye to others. In August, you will get our big end of the summer email as well.

I hope that everyone has a wonderful summer – relaxing, adventurous, and safe.

Also, report cards were emailed out right after noon. You can also access them through RenWeb.
