Note for St. John's School Students:

Even if you are not a parishioner and your child can't sing on Sundays, they are still welcome to join! Members of both choirs will be able to sing at the monthly SJS Masses.

Rehearsals are in the church basement Music Room. Enter through the Mary Garden side door. Singers will learn fundamentals of music and choral singing in a fun and creative environment. Our aim, through the use of music, is to help our children increase their understanding of their faith, and as a result, deepen their spiritual lives. The music is a combination of traditional hymns, classical & contemporary songs, and Christian rock.
