

Good afternoon SJS Parents,

Please find the 2024-2025 St. John School Calendar attached. Canton Public recently approved their calendar which has allowed us to complete ours. One major difference is that Canton has decided to move their half day professional development days back to Wednesdays, so we will as well.

School will begin the Wednesday before Labor Day and end on Wednesday, June 11. This provides us with 178 instructional days. If you utilize Canton busing, please pay attention to the no bus and no PM bus days. There are two days Canton Public is off that we are not and a few half day Canton has that we will not take.

Please let me know of any questions you may have.

Chris
