

Good morning SJS Parents,

Attached you will find the 2025-2026 School Year Calendar. I will call it a draft, but I do not see much changing at this point. It is a traditional SJS school calendar. We will start with two school days before Labor Day and then take a four-day break. We will have a day off for Parent Teacher Conferences in November. We will be in school the two days before Christmas Eve but will return to school later, on January 5. The school year will end on June 10 with a three-day week. The calendar has 178 instructional days.

The calendar also has half days marked. Canton Public voted to keep half days on Wednesday so we will as well. Please pay attention to no bus and no PM bus dates as there are quite a few. Canton is starting after Labor Day next year and will take both Jewish holidays off.

Please let me know if you have any questions.

Chris
