

Good morning St. John School,

I am excited to announce that we are bringing back a line of SJS Spiritwear just in time for the cold weather. We are going use Arrow Sports for our orders. Arrow Sports is accepting orders for Spiritwear as of today. The store will close on October 16 and orders will be shipped out 10-14 days after the October 16 deadline.

The link to the SJS store is <https://stjohncanton.itemorder.com/shop/home/>.

As a refresher, Spiritwear is SJS apparel that is outside of the normal uniform from Lands' End. Arrow Sports has numerous options for hoodies, fleeces, and sweatshirts as well as t-shirts. All of the outerwear in the store is acceptable in St. John School and all t-shirts are acceptable for gym days. A few items, like the hats and the flannel pants are not in our dress code but are fun options to wear outside of school or on a Dress Down or Spiritwear Day. And finally, there are some special items like an SJS Fleece Blanket, SJS backpack, and SJS Slides.

Please let me know if you have any questions and have fun shopping!

Chris
