

Good afternoon St. John School families,

I am excited to announce that we have hired a new Performing Arts/Music teacher for the 2023-2024 school year. Ms. Andreah Symington will be joining our faculty two days a week in the fall. Ms. Symington is finishing up her degree at Curry College as a Psychology Major and Art Therapy and Dance minor. She has taught Music at an Orthodox School in Texas as well serving as a music and dance instructor for after school programs. Ms. Symington also has experience in theater, musical theatre, singing, and dancing, even producing her own album. We are excited that Mrs. Palmer will mentor Ms. Symington next year and our hope is that she joins our SJS Drama team as a vocal coach. Please join me in welcoming Ms. Symington.

On a separate note, Mr. Sabella will not return to SJS next year for Spanish. We are reevaluating our Spanish program and will open a search soon.

Chris
