

Good afternoon SJS Community,

Today, I would like to acknowledge our Room Parents and the amazing work they do at St. John School. A Room Parent plays a special role at any school, but particularly at SJS. They serve as a connection between the classroom and home as well as between parents. They also help with communication from the school and the SJS Parent Group. In most schools, this is just relaying information and answering questions. However, at SJS, it is much more. With the number of special activities and unique experiences at our school, a Room Parent stays very busy. It takes organization, enthusiasm, and patience.

Thank you to the following 2022-2023 Room Parents. You helped us, as a school, make this a magical year.

Meg Gannon

Liz Watts

Courtney Stadelmann

Tracy Davey

Lin Kessler

Ally White

Mary Mallory

Abby Popoola

Linda Soloman

Sophia Hyppolite

Gerta Mallei

Michelle Mullin

I would like to thank our Room Parent Coordinator, Sheri O'Neill. Keeping track of eleven different grades and offer support and advice for all is a huge responsibility that Sheri managed with ease.

I also would like to introduce our 2023-2024 Room Parents (below and attached). As a school we try to shift up Room Parents on a regular basis. We like to spread around the joy and work and try not to wear anyone out. Thank you for accepting the call!

And finally, I want to introduce our Room Parent Coordinator for the 2023-2024 school year – Ally White. Ally has a son at SJS and will have a daughter here in the fall as well. She will be an awesome asset for our Room Parents.
