

Good afternoon SJS Community,

Today ends Term 3, which means we will be heading into the final quarter of the school year next week! The year has flown by and will continue to in the last quarter. Can you believe we can see graduation on the horizon for our eighth graders.

Thank you to Grade 3 who led us at Mass this morning. They did a wonderful job welcoming us to the church and with the readings. Thank you also to Lincoln C who was Principal for the Day and the Burkes who were Administrative Assistants for the Day yesterday. Mrs. Sullivan and I had a nice, relaxing day.

Speaking of the Gala, we were excited to announce our final numbers this afternoon. Thank you again to everyone who helped raise around \$115,000 for St John School.

Good luck to our Middle School Volleyball team who has their first tournament this weekend.

On Monday a solar eclipse will occur in our area between 2:00 - 4:30 pm. Following medical guidance, we strongly recommend that no one, students or adults, look directly at the sun during this time as it will emit harmful ultraviolet rays that can permanently damage eyesight. With this in mind, grades 3 and below will stay inside for the afternoon. However, grades 4 and above have plans to be outside at times with glasses and pinhole cameras. Please let me know if you have any questions.

Note – there will be no NJHS tutoring on Thursday, April 11.
